## **COCO Cocktail™ #POWER and #REFRESH Flavors Prove Significantly More Nutritious Than Red Wine**

**Healthy Beverages, LLC Achieves FDA Guidelines to Market its COCO COCKTAIL™ #POWER as “The World's 1st Alcoholic Beverage with Vitamins & Minerals”**

**Healthy Beverages, LLC (Ft. Lauderdale, FL) May 23, 2017** – Independent certified laboratory analysis conducted by Connerstone Laboratories, LLC, reported that COCO COCKTAIL™ #POWER and #REFRESH flavors have a significantly greater nutritional value compared to a market leading Pinot Noir, rated 94.4 by *Wine Advocate*. Made with 70% coconut water, SuperFruits and 5.6% ABV from OTS Orange Wine, COCO COCKTAIL™ is the World's First Nutritious Alcoholic Beverage.

“The findings are significant as Pinot Noir is heralded as the red wine with the highest levels of antioxidants, yet the nutritional value of COCO COCKTAIL far surpasses it,” states Franz Tudor, CEO & CO-Founder Healthy Beverages, LLC. “As consumers thirst for nutritional benefits in beverages and demand for labeling transparency grows, COCO COCKTAIL™ is proud to meet those needs as all COCO COCKTAIL™ products are packed with vitamins and minerals, are Certified Gluten Free, Paleo Friendly and Made with All Natural Non-GMO Ingredients.”

All vitamins and minerals found in COCO Cocktail™ are from all-natural, non-GMO food sources without any fortified, artificial or synthetic ingredients.
